EXPERIENCE

SENIOR PRODUCT DESIGNER
THE COLLEGE BOARD
2022 - CURRENT

+ Collaborate with UX designers, data scientists, product managers, and engineers to create innovative solutions that meet user needs. Create wireframes, prototypes, and other design artifacts to communicate design concepts to stakeholders.

+ Conduct usability testing to validate design concepts and identify areas for improvement.

+ Lead design thinking workshops and collaborative design sessions to identify customer problems, generate solutions, and integrate cross-functional insights into the product development process.

+ Develop interaction prototypes, presentations slides, and other documents to communicate design strategies to project teams.

LEAD DESIGNER + PROJECT MANAGER
VANTAGE POINT CONSULTING
2019 - 2022

+ Applied an iterative process to conceptual ideas in order to bring them to life, from research to shipping. Ideated and validated digital products and new projects using UX/UI artifacts like stakeholder interviews, facilitated design thinking workshops, A/B testing, empathy maps, personas, user journeys and wireframing. Created design systems, logos, style guides, responsive sites, presentations and other digital products for government contracts and higher education institutions.

+ Led the company's design team, including stafff hiring, weekly team meetings, feedback for quality assurance, aligning designers with projects, and developing team schedules and priorities for design needs.

+ Managed client projects, including leading daily standup meetings and weekly client meetings. Used JIRA to track team activities in two-week sprints in an Agile format with a large, diverse team across the country and around the world. Assisted in proposal writing, editing, and graphics.

DESIGNER - Design Consultant
GRIFFIN OWENS INSURANCE GROUP
2009 - 2019

+ Created original designs and updates of logo, business cards, letterhead, billboards, advertisements, brochures and vehicle wraps.

+ Focused on human centered design for digital media, website and educational materials.
